

Frequently Asked Questions

1. Can I set up direct deposit for my payments?

Yes, you may select to receive your payments via an electronic funds transfer (EFT). EFT payments are only available for U.S. accounts. You must complete [Chaparral's direct deposit form](#) to enroll. You should know if you elect to receive EFT payments, your payment details will no longer be mailed to you. Details can, however, be accessed through the appropriate Owner Relations portal.

2. How often will I receive a payment?

Chaparral makes revenue payments on or about the twelfth of each month. If your account has reached the minimum pay status of \$100, or if requested in writing \$25, you will receive a payment at that time. If you have not received your payment by the fifth of the following month, you should call 405-478-8770 Monday through Thursday, 7:30 a.m. to 5:30 p.m. or Friday 8:00 a.m. to 12:00 p.m. and ask for Owner Relations.

In the event your account does not reach the account minimum, Chaparral will release revenue proceeds annually which total \$10 or more during the month of June. This is the only time of the year during which minimum pay requirements do not apply.
